3 Information about the acquisition

3.1 Size of the acquisition

Specify the purchase price, or a range, if relevant. Also specify the size of the holding you intend to acquire in the target company. The number of participations shall be stated as a percentage of the number of issued participations. State the number of participations before and after the acquisition (direct and indirect). If the voting rights differ from the number of participations, also state the number of votes as a percentage of the total number of votes.

3.2 Acquisition date

Specify the expected date of acquisition, or a date range, if relevant.

3.3 Purpose of the acquisition

1. Specify the purpose and objective of the acquisition. (Not necessary if the information is stated in 4.1.1 a.)

2. Specify for how long you intend to keep the holdings in the target company and specify any intentions you may have to increase, decrease or maintain the size of your holdings in the near future.

3.4 Financing of the acquisition

1. Specify how you intend to finance the acquisition. Describe the background of all financing items (whether monetary or other type of asset), their value, to whom they belong and in which jurisdiction they are located. If the acquisition will be financed with borrowed funds, list all lenders and with which funds the loan will be repaid. If the lender is not an institute that is under the supervision of Finansinspektionen or an equivalent foreign supervisory authority, information about the source of the funds must be submitted.

Append documentation that supports the information you are submitting.

2. Do you have any cooperation with a natural or legal person with regard to financing the acquisition?

Yes

No

If yes, please describe the circumstances. In particular, please specify whether anyone you work with is a shareholder or member of the target company as well as the significance of any shareholder agreements or other agreements between you.

4 Business plan and detailed information about the acquisition

Provide information about the acquisition in accordance with one of the following options:

- when ownership signifies control, cf. Chapter 1, section 4 of the Annual Accounts Act (1995:1554) (4.1), or
- when ownership does not signify control but is qualifying (4.2).

If Finansinspektionen requires additional information to assess the suitability of the acquirer, it can also request information in accordance with section 4.1 below.

4.1 Information when ownership signifies control

An acquirer has control over the target company if the acquirer directly or indirectly receives the majority of the votes or participations. Furthermore, an acquirer has control over the target company if the acquirer is a shareholder, and

- is entitled to appoint or dismiss a majority of the directors of the target company, or
- via agreements with other owners in the target company has access to more than half of the votes for all shares or participations.

Business plan

If your ownership signifies control, append a business plan that includes the following:

1. A *strategic development plan* describing
 - a) the purpose and objective of the acquisition and how these will be achieved,
 - b) planned changes to the business of the target company, e.g. products, customers and any eventual reallocation of assets,
 - c) the planned integration of the target company with the acquirer's group, if any, and
 - d) information about the acquirer's intention and ability to contribute capital to the target company if needed.
2. *Forecasts* for the target company for the coming three years including
 - a) balance sheet and profit and loss account,
 - b) important key ratios, and
 - c) capital adequacy calculation.
3. A description of how the acquisition will impact the governance and organisation of the target company. In particular, specify if the acquisition will affect
 - a) the composition of the board of directors and company senior management,
 - b) the organisation's operational structure (append an organisational diagram), and

c) outsourcing.

4.2 Information when ownership is qualifying but does not signify control

If the acquisition involves ownership that is qualifying but not controlling the target company, the following information shall be enclosed:

1. whether the acquirer intends to increase or decrease its holding in the target company in the foreseeable future, and
2. whether the acquirer intends to actively attempt to exercise influence over the undertaking (and specify the circumstances related thereto).
