Instructions follow on the next page.

Instructions

This form is to be used by firms that report EOTC positions on behalf of a third party to apply for access to the production environment for the commodity derivative position reporting system (position reporting system).

Firms subject to the reporting obligation

A firm that is obligated to report positions in commodity derivatives to Finansinspektionen. The LEI code of a firm subject to the reporting obligation refers in the transaction reports to the Executing Entity.

Firms reporting EOTC positions on behalf of a third party

The firm reporting on behalf of a firm subject to the reporting obligation. The LEI code of the firm reporting EOTC positions on behalf of a firm subject to the reporting obligation refers in the report to the Submitting Entity.

IP address 1,2,3,4

IP addresses (max four) used by the Submitting Entity to access Finansinspektionen's SFTP server.

Comments

Any additional information.

Contact person:

Contact person at the firm that reports on behalf of a firm subject to the reporting obligation for questions related to commodity derivative position reporting. Account information is sent by registered mail to the person specified as the contact person. This information is therefore required.

All submitted personal information is registered in a central database at Finansinspektionen.

After receiving the form, Finansinspektionen will check the submitted information prior to registration in the system.
